A COMMERCIAL REAL ESTATE INVESTMENT COMPANY

October 10th, 2008

To Whom It May Concern:

It is my pleasure to recommend Providence Painting Company to other property management professionals who are looking for a first-class painting company at a reasonable price. Our company has used Providence Painting Company for small jobs to large capital painting projects on our office buildings in Charlotte, NC and in Greenville, SC over the last couple years. During this time, we have found Providence Painting Company to deliver the project on time and most importantly the project to be done with quality in mind.

Sincerely,

Kevin Jensen
